

“(4) Persons permitted to enter Namibia under subregulation (2) may not enter Namibia unless such persons at the time of entering Namibia present to an authorised person a SARS-CoV2 PCR test result from the country of departure, which test result -

- (a) is not older than seven days calculated from the date that the sample for testing was taken; and
  - (b) was issued by a laboratory that is certified in the country of issue to issue SARS-CoV-2 PCR test results.”
